

AWARD MAP: BSc Environmental Science

Details of award: Overseas Delivery for Nepal - BSc (Hons) Environmental Science, BSc (Hons) Environmental Science (Climate Change), BSc (Hons) Environmental Science (Landscape Ecology), BSc (Hons) Environmental Science (Wastes) 2013 entry

Name of award: BSc (Hons) Environmental Science, BSc (Hons) Environmental Science (Climate Change), BSc (Hons) Environmental Science (Landscape Ecology), BSc (Hons) Environmental Science (Wastes)

In order to achieve the named award above, students must meet all requirements of this award map.

YEAR 1

<u>Code</u>	<u>Title</u>	<u>Credits</u>	<u>Status</u>	<u>Pre-Requisites</u>
ENV1001	Air and Water – Principles	20	Compulsory (all)	None
ENV1002	Introduction to Ecology	20	Compulsory (all)	None
ENV1004	Environmental Issues	20	Compulsory (all)	None
ENV1019	International Wastes Management*	20	Compulsory (all)	None
ENV1016	Fundamentals of Environmental Science	20	Compulsory (all)	None
ENV1012	Biodiversity: An Introduction	20	Compulsory (all)	None

Students must take all compulsory modules for all pathways

YEAR 2

<u>Code</u>	<u>Title</u>	<u>Credits</u>	<u>Status</u>	<u>Pre-Requisites</u>
--------------------	---------------------	-----------------------	----------------------	------------------------------

ENV2036	Research Methods	20	Compulsory (all)	None
LAW2006	Environmental Law	20	Compulsory (all)	None
ENV2014	Air and Water – Processes	20	Compulsory (all)	ENV1001 or ENV1010
ENV2033	Landfill Processes	20	Designated (Was, ESc)	None
ENV2034	Mechanical, Biological and Thermal Waste Treatments	20	Designated (Was, Esc)	None
ENV2001	Contaminated Land	20	Designated (Was, ESc, LE)	ENV1001 or ENV1010
ENV2018	Habitat Ecology and Management	20	Compulsory (LE) Designated (ESc)	ENV1002
ENV2103	Biogeography	20	Designated (CC,ESc, LE)	ENV1002
ENV2124	Fieldwork Module	20	Compulsory (LE) Designated (ESc)	ENV1002
ENV2111	Weather and Climate	20	Compulsory (CC) Designated (ESc)	None
ENV2114	Past Environments	20	Compulsory (CC) Designated (ESc)	None
ENV2126	Energy Resources*	20	Designated (CC, ESc, Was)	None

BSc Environmental Science: Students must take all compulsory modules plus three designated modules

BSc Environmental Science (Climate Change): Students must take all compulsory modules plus two designated modules

BSc Environmental Science (Landscape Ecology): Students must take all compulsory modules plus with **one** of [ENV2001](#) or [ENV2103](#)

BSc Environment Science (Wastes): Students must take the compulsory modules plus three designated modules

YEAR 3

<u>Code</u>	<u>Title</u>	<u>Credits</u>	<u>Status</u>	<u>Pre-Requisites</u>
BUS2004	Learning Through Work ²	20	Compulsory	None
BUS2011	Measuring Organisational Success (WBL) ²	20	Compulsory	None

Students must take both modules.

Students must have completed 100 credits at Level 5 in order to undertake placement

YEAR 4

<u>Code</u>	<u>Title</u>	<u>Credits</u>	<u>Status</u>	<u>Pre-Requisites</u>
ENV4101	Research Project and Dissertation	40	Compulsory (all)	ENV2036
ENV3018	Wastes Minimisation and Recycling	20	Compulsory (Was) Designated (ESc)	ENV1019
ENV3005	Air and Water – Applications	20	Compulsory (CC, Was) Designated (ESc, LE)	ENV2014

ENV3012	Hazardous Wastes Management	20	Compulsory (Was) Designated (ESc)	None
ENV3013	Sustainable Development: Land Use and Planning	20	Compulsory (LE) Designated (ESc, CC)	None
ENV3014	Landscape and Restoration Ecology	20	Compulsory (LE) Designated (ESc)	ENV2018 or ENV2110
ENV3021	Biodiversity and Conservation	20	Designated (ESc)	ENV2018
ENV3124	Water Resource Management	20	Compulsory (Was) Designated (ESc, CC, LE)	Any one of ENV2123 / ENV2104 / ENV2014 / ENV2114
ENV3108	Climate and Society	20	Compulsory (CC) Designated (ESc)	Any one of ENV2123 / ENV2104 / ENV2114

BSc Environmental Science: Students must take the compulsory modules plus four designated modules

BSc Environmental Science (Climate Change): Students must take all compulsory modules

BSc Environmental Science (Landscape Ecology): Students must take all compulsory modules

BSc Environment Science (Wastes): Students must take the compulsory modules
